

CALL FOR SPONSORS

2007 Georgia Oracle Users' Conference

March 5-6, 2007

Kennesaw, GA

<http://www.gouser.org/conference2007.html>

The 2007 Georgia Oracle Users' Conference will take place March 5 and 6 at the Kennesaw State University Center just outside of Atlanta, Georgia. This year's Keynote Speaker will be Rich Niemiec of TUSC.

We'd like to offer your company the opportunity to sponsor this year's conference to support the Oracle community in Georgia and surrounding areas.

Last year the conference had almost 150 participants and over 10 sponsoring vendors. This year, we are anticipating even more attendees and vendor participation. We'd like to invite your company to sponsor the conference in one of three ways:

1. Purchase a table in the conference area common grounds. (\$400) You'll receive: Two free participant passes, a table in the main area to display your company's information, and recognition on our web site for one year and during the conference.
2. Sponsor a break/snack for the conference on Monday or Tuesday (\$700) You'll receive: Two free participant passes, a table in the main area to display your company's information, and recognition on our web site for one year and during the conference, AND special recognition and brief (3 minutes) product/service description from the conference MC to the entire conference audience prior to a keynote address.
3. Sponsor a lunch for the conference on Monday or Tuesday. (\$1900) You'll receive: Two free participant passes, a table in the main area to display your company's information, and recognition on our web site for one year and during the conference, AND an opportunity to briefly introduce (10 minutes) your company to the entire conference audience prior to a keynote address.

Some vendors have also provided a speaker for a technical presentation during the conference. If you are interested in providing a speaker, we require that these presentations be technical and not product/service marketing. For more information on presentation requirements please see <http://www.gouser.org/conference2007/callforpresentations2007.pdf>

If you decide to sponsor our conference, we ask that you:

1. Agree in writing to sponsor the conference.
2. Bring any brochures/materials to the conference or ship them ahead of time.
3. Provide a check for your sponsorship level made out to the Georgia Oracle Users' Group prior to or at the time of the conference.
4. Bring giveaways/door prizes (software license, books, MP3 players, etc.)
5. Promote the user group conference to your contacts and email lists.
